NON-ALCOHOLIC WINE

Name

**DORNFELDER**

A deliciously rich German red – made for sharing!

**This young new grape variety has been an easy-drinking hit in Germany since the 1950s.**

This smooth dry red appeals to all red wine tastes, so it's just ripe for sharing.

Deep magenta in colour and rich in flavours of luscious berries, red & black currants and pomegranates, with a tinge of vanilla. A well-balanced palette with mild tannins and delicate acidity round off this perfect non-alcoholic red wine drinking experience.

Dr Zenzen combines the family's almost 400 years of wine-making tradition with modern technologies of gentle de-alcoholisation, to create non-alcoholic wines of true excellence.

**Non-alcoholic wine.** Alcohol removed.
