WINES – RED

Name

DORNFELDER

A collaboration of German wine-makers who are delighted to share their fruits with you!

Trusted vintner partners along the banks of the Rhine and Hessen hillsides come together to bring you a hearty dry red that's just ripe for sharing.

With its deep magenta colour and rich but not overpowering taste, this young new grape variety has been an easy-drinking hit in Germany since the 1950s, so popular that it rarely makes it to export markets!

Rich in cherry and elderberry aromas, this spicy drop appeals to a wide range of red wine drinkers, and goes well with game or wild ragout and warm-hearted, home-made stews.

Alcohol content: 13.0% vol.
