WINES – RED

Name

EDITION B (Spätburgunder)

A special Edition from Germany's best Pinot Noir region - a classic popular red!

Take your Pinot Noir to a delicious new level. Taste why Germany loves Pinot Noirs, and especially those from the Ahr Valley.

Flavours and richness of its Pinot Noir grapes are due to the mild summers and slate-covered steep slopes of the Ahr, rich in minerals. The Romans brought their vines here and we know why!

Deep rose-red in colour, with rich aromas of berries with notes of plum, the oak barrel aging has given depth to the complexity and soft tannins of this classic Ahr valley wine. A popular favourite with lovers of Ahr valley reds.

Alcohol content: 13.5% vol.
