Name

**BIO RIESLING**

Our Bio-certified Riesling hails from the ancient eco-system of the Central Moselle.

DE-ÖKO-039

Intensive and sustainable care on the steep slopes of the Moselle River, first cultivated in Roman times, has created this delightful, EU-certified organic riesling.

This *demi sec* drop shows fine notes of grapefruit with hints of peach and apricot, the fruity citrus flavour underpinned by the minerality typical of the *terroir* of the Moselle valleys.

With its fresh, lingering aftertaste, this is a versatile food wine, perfect for poultry dishes or Asian foods, as well as sushi, fish and seafood.

Alcohol content: 10.0% vol.
